

Equality Starts in the Family: Infographics Resource Package

Please find and download our infographic resource package [here](#). In this package, you will find:

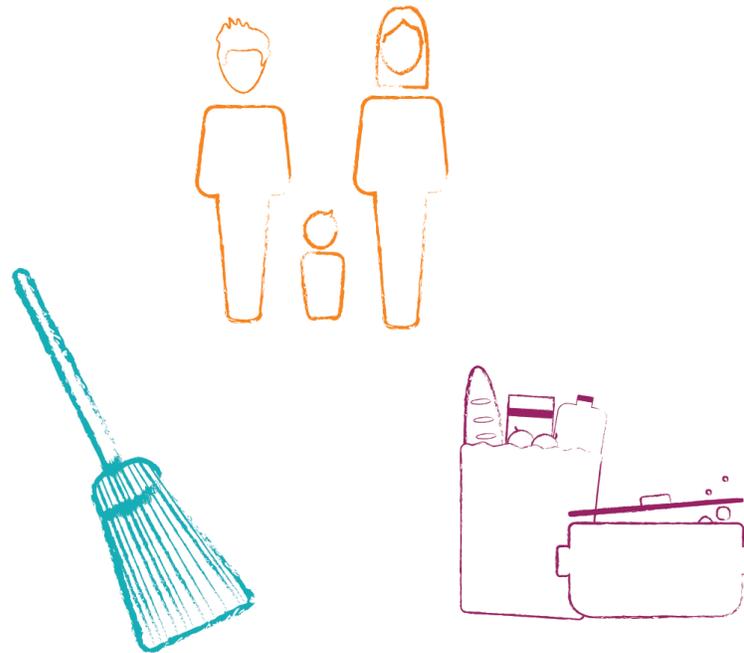

- 10 facts presented in Infographics that you can download as PNG files
- 1 GIF presenting these facts
- 1 MP4 file presenting the facts

We encourage you to share these on any of your social media platforms and ask that you please tag Women's Learning Partnership when you do so. On the following pages, you can preview the infographics you will find in this package:

In the last 5 years, WLP partners have helped to successfully **transform over a dozen laws** and policies that discriminate against women and girls.

Women do **3 times** as much unpaid care and domestic work as men

Nearly **40%**
of economies
have at least
one constraint
on women's
property
rights.

Every day, **830** women die from preventable causes related to pregnancy and childbirth around the world.

Globally almost
21% of young women
and girls alive today
were married **before**
their 18th birthday.

Nationality laws in
worldwide prevent
from passing their
to their children
basis with men.

25 countries
women
nationality
on an equal

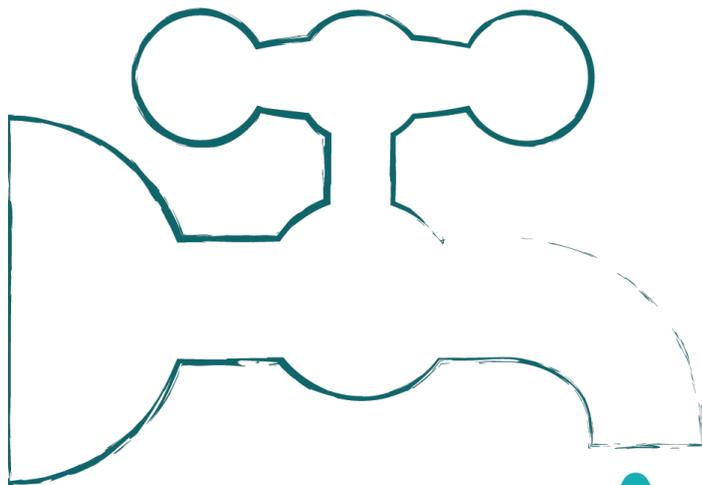

Only 63 countries comply with the international labor organization's minimum standards, which say mothers should be granted 14 weeks of paid maternity leave.

Divorced women are **twice**
as likely to experience poverty as
divorced men.

In **80%**
of water-deprived
households, women
and girls carry the
burden of water
collection.

1 in 3

women have experienced physical or sexual assault -
most often by an intimate partner.
